USAG-WI Legislation - SAC Meeting - 3/19/16

(Full minutes posted online at state web site.)

2016 L3-5 and L-2 State Meet bids accepted

- Level 3-5 State Meet – Dec. 3-4, 2016
Gymfinity at Alliant Energy Center, Madison
- Level 2 State Meet – Dec. 10-11, 2016
SAGA at Kolf Center, UW-Oshkosh

Compulsory Age Determination Date is the last day of State Meet. USAG-WI does not establish Compulsory Age Groups based on actual birth dates. Meet directors have flexibility to designate Age Groups based on *ages* rather than *even split*, (e.g., Age 12-13); State Meet Age Grouping requires SAC approval. Pre-determined Age Groups will be deleted from the *USAG-WI R&P*.

Optional State Meet Age Groups (age determined as of culminating championship meet or as per USAG L-9/10), are created using a sliding scale *within* Age Groups to yield approximately equal groups of 18-24 athletes except L-9/10 if numbers are very low.

No Entry Fee Refunds will be given for any reason within 10 days of the first day of State Meet.

Late State Meet Entry Fee is a flat \$25.

All Sanctioned Xcel Meets whether on State schedule or not, may be used for State Meet qualification.

Head Tax forms must now be submitted with a ProScore Meet Summary for verification of head count.

Other Business

Reminder – Clubs on State Meet Rotation should either partner with experienced State Meet hosts and/or do due diligence before bidding for an event. All State Meets are under jurisdiction of the SAC and require approval for age groups/sizes, formats, schedules, etc.

Mobility and Drop Back do NOT need to be sent to SAC. Instead updates MUST be made on USAG site.

USAG-WI SACC Election – Congratulations Randy Anderson in retaining the USAG-WI SACC position. We thank J Orkowski for also running in the election.

Congratulations Scamps – Club/Coach of the Year and Level 10 Team Champions second year in a row.

Congratulations James (Jimbo) Melcarek – Contributor and of the Year. Jimbo has been a dedicated coach, mentor, board member, club owner, and equipment representative in our state for many years. He's put in countless hours ensuring the sport of gymnastics continues to thrive and grow in the state of Wisconsin. Thanks for all you do, Jimbo!

Myusagym.com application with ProScore is now available to publish meet information and scores. Instructions are posted on our state web site under Meet Directors Info.
